FEATURES

Travel protection

The foam reinforced contoured felt molding holds your Backbone securely when you travel, absorbing rattles and bumps and the firm outer shell keeps it safe.

Game Anywhere

Lightweight construction and rounded profile make it easy to grab on it's own or drop into any bag.

Easy to use

The bonded, low profile zipper and branded pull makes it easy to quickly open and close.

Premium materials

Constructed with felt material which is molded and finished with a soft texture, custom colour, and a branded rubber zipper pull.
