How it works

1

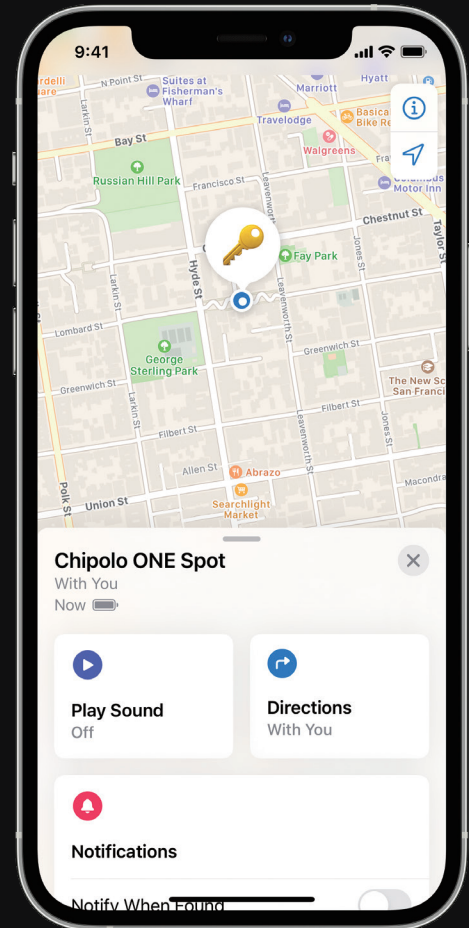

Attach Spot to your personal items and add it to the Apple Find My app on your iPhone or iPad.

2

Locate your items on a map in the Find My app.

3

Play sound from the Find My app to find your items nearby.

About the Apple Find My network

The Apple Find My network provides an easy, secure way to locate compatible personal items on a map using the Find My app on your iPhone, iPad, iPod touch, or Mac. Simply pair Chipolo ONE Spot with the Apple Find My app to view it right alongside your Apple devices.

If your item ever goes missing, you can put it in Lost Mode to display a message and contact information to anyone who might find it. The Find My network is encrypted and anonymous, so no one else, not even Apple or Chipolo, can view its location.
