

Survivor Strong

Protected Permission for Play

You want a minimal shape and profile, but not at the expense of protection. No problem. Strong's sleek, streamlined profile defies the remarkable degree of strength and drop-protective features it boasts, like FortiCore™ protection technology, dual-layer construction and a raised-edge bezel. All the strength you need in a slim and ergonomic shape – that's the power of Strong.

Key Selling Points

- Two-layer construction
- 10 ft. of drop protection tested to military standards (MIL-STD 810G)
- FortiCore™ shock absorption technology
- Extended height raised-edge bezel protects screen
- Wireless charging
- 5G compatible
- Guaranteed for Life
