

Survivor Clear

Unleash the Possibilities through Trusted Protection

Activate a nearly invisible forcefield with the transparent protection of Clear. Simple, strong and transparent, Clear acts as a barrier between your phone and the journey ahead. Equipped with Parametric technology and a raised-edge bezel, it affords a pure view of the finish and features of your phone, while also providing the protection it needs. Activate your forcefield. Outfit your phone with Clear.

Key Selling Points

- 6 feet of mil-spec drop protection
- Shock-dampening Sidewall tech - Parametric Protection
- Extended height raised-edge bezel protects screen
- Wireless charging
- 5G compatible
- Guaranteed for Life
