

# Survivor Extreme

## An Exceptional Form for Extreme Protection

Built to live up to its namesake, Extreme's the case you want to take along on your toughest journeys, from the weekend adventure to the worksite and through every bump in the road. We poured everything we know about protection into Extreme. This case guards against harsh impacts, scrapes and scratches, dust and dirt, and microbes that lead to stains, odors and degradation. All that and Extreme is still incredibly slim and easy to handle. Made for those who aim to go further, this case is for you.

### Key Selling Points

- Four-layer construction
- 16 ft. of drop protection tested to military standards (MIL-STD 810G)
- FortiCore™ shock absorption technology
