

**Rebel**  
EM-JE121

Free your mind and your music with the introduction of The House of Marley Rebel offering a True Wireless Audio experience in a compact and elegant design. An extended battery life and charge case, a stable comfortable fit, leading Bluetooth® and microphone performance and seamless connectivity, Rebel, offers the freedom you deserve.

## Features

**Materials** // The Rebel TWS earbuds are crafted from bamboo, natural wood fiber composite and recycled plastics. Embrace your natural style with Marley's message of craftsmanship and sustainability.

**8 Hour Battery Life – 30+ Hours Total** // The Rebel features 8 hours of battery life as well as a charging case with an additional 3.5 charges totaling for a total of 30+ hours of playtime.

**Ear Housing Touch Control** // Ear Housing Touch Controls makes it easy to play, pause, or change music, take calls and more. Easy access to volume controls right on the earbud

**Multiple EQ Settings** // Enjoy your favorite music and media with Marley's signature EQ, or step it up a notch with the Bass Boost EQ. Both EQ's are accessible from right on the earbud.

**Auto Play/Pause** // Simply remove the earbud from your ear and your music conveniently pauses. Placing the earbud back in the ear resumes your music automatically.

**Active Lifestyle Design** // Designed for active lives and rugged environments, these earbuds are also sweat-proof & weather resistant to an IPX5 rating.

**Call Noise Cancellation** // Background noise cancellation technology built in to remove the sounds from the outside world while on a call or meeting.

**Convenient USB-C charging** // This technology allows you to use any USB-C charger or accessory in tandem with your Small Axe earbuds and their charging case.

**Wireless Charging** // Simply drop your Rebel earbuds case on any available wireless charger, and they will begin to charge. Simple and easy.
