

Little Bird True Wireless Earbuds EM-JE123

Discover a harmonious fusion of technology and nature with the Little Bird True Wireless Earbuds by House of Marley. These earbuds bring a fresh perspective to your auditory journey while staying mindful of our planet's well-being. Crafted with a commitment to sustainability, the Little Bird is thoughtfully constructed using organic materials, recycled plastics, and bamboo—a renewable resource. This represents a conscious departure from conventional earbuds.

Elevating your listening experience, the Little Bird not only resonates with eco-consciousness but also offers a sleek, contemporary design at an affordable price point. Enjoy up to 6 hours of non-stop listening pleasure, extendable to an impressive 24 hours with the charging case. With advanced Bluetooth 5.3 technology, these earbuds ensure seamless connectivity and crystal-clear call quality.

Embrace innovation, style, and sustainability with the Little Bird True Wireless Earbuds—a soundscape where the modern meets the mindful.

Features

Materials // These earbuds are meticulously fashioned from a blend of eco-friendly elements, including recyclable bamboo, natural wood fiber and mica composites, as well as recycled plastics. Embrace your innate style while embodying Marley's profound commitment to both artistry and the environment.

Recycled Plastics // Our dedication to sustainability and environmental mindfulness is unwavering. Within the construction of Little Bird, we incorporate post-consumer recycled plastic, underscoring our commitment to reducing our ecological footprint..

6 Hour Battery Life // Experience an impressive 6 hours of continuous battery life with the Little Bird. Extend your playtime even further with three additional charges, culminating in a remarkable total of 24 hours of uninterrupted enjoyment.

Intuitive Touch Controls // Effortlessly adjust volume, play, pause, or skip tracks with a simple touch using the Smart Touch Controls.

Hands Free Calling // Engage in calls or join meetings with ease, thanks to the built-in microphone.

Movie/Game Mode // Command your entertainment with this mode that elevates and refines audio synchronization for movies and games, ensuring an unparalleled and immersive experience..

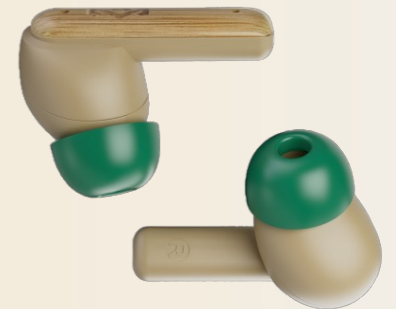

Quick Charge // With Quick Charge technology, a mere 15-minute charge grants you 2 hours of usage, perfectly aligning with your hectic agenda.

USB-C // Employ any USB-C charger or accessory in conjunction with your earbuds and their charging case, thanks to this versatile technology..
