

## Stir it Up Lux

EM-JT010

First in class in sound and performance. A new tier of turntable offered under the House of Marley. Better speed stability and vibration dampening. Producing the highest fidelity audio experience possible. The Stir It Up Lux, gives you luxurious sound, luxurious performance, and is crafted from luxurious sustainable materials.

### Features

**Materials //** The Stir it Up Lux is crafted from solid bamboo plinth, REGRIND™ silicone, REGRIND Cork, glass and recyclable aluminum.

**Bluetooth® v5.3 //** Stay ahead of the curve with the latest Bluetooth® v5.3 capability. A simple pairing button and onboard volume controls make for a smoother connection and better performance.

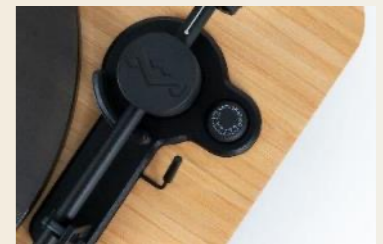

**45 and 33 RPM speeds //** Adjustable speeds allow you to play all of your favourite vinyls.

**Replaceable AT-95E Stylus //** Equipped with an elliptical stylus provides improved tracking, increased detail and reduced wear on your records as it distributes the force more evenly across the groove.

**Double Sided Cork Slipmat //** One side is a beautiful black cork, and the other is a colourful Bob Marley inspired zoetrope design. A zoetrope slipmat can look animated when viewed under a strobe light or filmed at a specific frame rate. For our design you can view at 11 fps.

**Auto Start Stop //** The turntable's belt drive features auto start/stop to protect your vinyl and conveniently pause the music.

**Built in Pre-Amp //** Other features include a built in, switchable Pre-Amp, 3.5mm Aux Out and RCA (Phono/Line) out.
