## INFINITELY PAIRABLE BLUETOOTH® SPEAKER

Design by Manuela Simonelli & Andrea Quaglio

*Connect multiple Tammo easily together!*

**BLUETOOTH® SPEAKER WITH UNIFIED AUDIO NETWORK**

**TOUCH FOR AUDIO CONTROLS**

**UP TO 3H PLAYTIME**

**HANDS-FREE MIC**

**RECHARGEABLE VIA USB-C OR WIRELESSLY**

**ALUMINUM FINISHING**

Tammo stands as the first compact Bluetooth® speaker of its kind, revolutionizing the way we experience sound. Its unique ability to be infinitely paired to other Tammo creates a surprising audio network, expanding the horizons of traditional speaker setups. Crafted meticulously and designed for innovation, Tammo redefines what is possible in terms of audio connectivity.

With Tammo touch controls located conveniently on the base, managing audio commands and adjusting volume becomes effortless. Equipped with a microphone for hands-free calls and a selfie trigger, Tammo becomes your all-in-one audio companion, simplifying your daily routine while delivering unparalleled sound quality.

Whether you're on the move or at home, stream your music from your smartphone or tablet for up to 3 hours! Wondering how to enjoy a continuous listening experience without worrying about the battery level? Simply place Tammo on a wireless charging station or use the provided USB-C cable.

Tammo boasts a stylish design with a premium aluminum finish. Its smooth curves and refined contours add a touch of sophistication to any space. Available in chic colors, you will undoubtedly find the Tammo that fits perfectly into your interior.
