Elevate your audio experience with Ray Speaker

Because 2 is always better than 1, this speaker set delivers an unexpectedly rich and immersive stereo sound, thanks to its True Wireless Stereo technology. Magnetically attachable, it can be paired or mounted on any magnetic surface, making the Ray Speaker a versatile companion for both on-the-go adventures and at-home relaxation.

The Ray Speaker is more than a traditional speaker. With integrated Bluetooth® connectivity for hands-free calls and remote selfie triggering, it extends its functionality beyond music, evolving into an essential gadget for various aspects of your daily life.

Enjoy up to 8 hours of continuous playtime on a single charge. Recharging is effortless using the included USB-C cable, ensuring continuous entertainment wherever you are without any hassle.

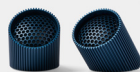

Elegantly crafted in aluminum, the Ray Speaker embodies modern aesthetics while ensuring durability. Its sleek, cylindrical design adds an elegant touch to any audio setup. Available in various colors to complement your interior, this speaker set is also your outdoor companion with its IPX4 water resistance.
