REQUIRES
WALL CHARGER

SYNTHETIC LEATHER &
ALUMINUM FINISHING

PowerUp is a sleek and slim 15W wireless charging pad that provides fast, optimal and secure wireless charging to the latest smartphones and any other Qi compatible devices.

Available in several colors, and crafted with elegant synthetic leather finishing, it will be a stylish addition to your desk or bedside table to deliver convenient and cable-free charging experience.

In addition to working with smartphones with or without protective case (up to 3mm) it can also recharge compatible earbuds and any Lexon product equipped with Qi charging technology.
