ALUMINUM
FINISHING

Big, bright, beautiful

The Mina L brings an exciting size, flourishing light, and stunning design all to one device. Make a statement wherever you use it, indoors or out.

Mina L is rechargeable using any Qi-enabled wireless charging station. You can also use a USB-C charging cable to recharge the LED. An impressive 9 LED color range that you can bring to your bedside, workspace, or patio. The color change and dimming function are all controlled by a press down feature on the top of the light.

The Mina L has up to 24h of battery life from a single charge, making it the perfect companion all day and night. Designed with an IPX4 water-resistant casing, means that it's okay if your Mina L is left outside in a little rain.

Our designers have crafted a sleek, statement-making aluminum base available in ten selected colors. Try multiple to create an atmosphere that's completely your own.
