Meet the new addition of the Mina lighting collection.

Mina L Audio is a stunning 2-in-1 portable lamp, crafted to fill your space with both multicolor light and immersive sound. Designed with a sleek aluminum base and embarking a 360° built-in Bluetooth® speaker, Mina L Audio will make a statement wherever you use it, indoors or out.

This versatile lamp offers an impressive 9 LED color range that you can bring to your bedside, workspace, or patio. The color change and dimming function are all controlled by a press down light feature on the top of the light.

Mina L Audio connects to your smartphone or tablet seamlessly via Bluetooth®, allowing you to share and listen to your favorite music anywhere in style.

Offering up to 24h of battery life from a single charge for the lighting function, and 6h when both light and speaker are simultaneously on, Mina L Audio is the perfect companion all day and night. It is rechargeable using any Qi-enabled wireless charging station or with cable via its USB-C port.
