RECHARGEABLE

RECHARGEABLE
VIA USB-C PORT

SUITABLE FOR
OUTDOOR USE (IPX4)

ALUMINUM
FINISHING

Steli is a slim portable lamp that features 9 LED colors and adjustable brightness which can be controlled by pressing the top of the lamp.

Designed in an elegant aluminum finish, Steli can be used both indoors and outdoors. Offering up to 10 hours of battery life, rechargeable via USB-C or wirelessly, Steli is the perfect lamp to proudly light-up your dinner table, desk, terrace or bedside table.

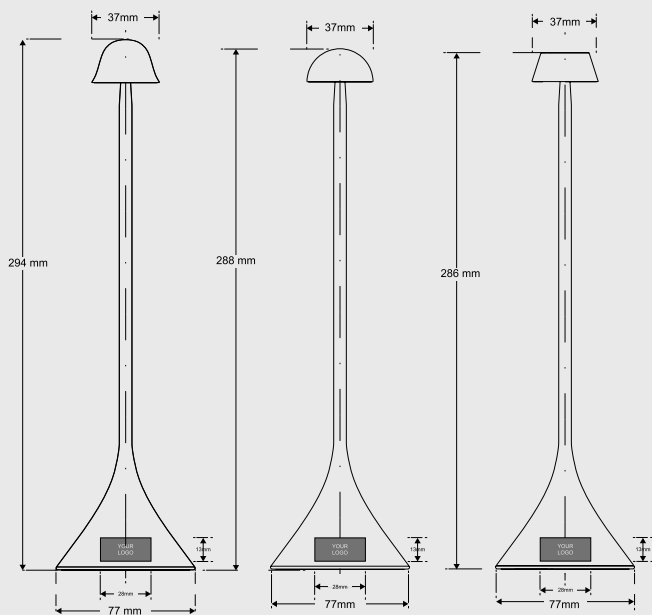

Steli embarks an exclusive LED color and brightness syncing function. Getting multiple of them will allow you creating a unique lighting atmosphere. This technology specific to Lexon, developed with the aim of simplifying the use of our lamps, does not require the use of a smartphone and makes it possible to lock both the colors and brightness in order to offer a unique experience for both professionals and individuals.
