

MEATER MASTER CLASS

Mouthwatering MEATER recipe tutorials all within the palm of your hand. Master Class works with all MEATER Generations!

Easy-to-find ingredients and cookware list

The app's already made your list so you don't have to check it twice.

Step-by-step, bite-by-bite

With a video demonstration per step, the only thing we don't show is how to eat it.

MEATER[®]

THE FUTURE OF SMART COOKING

No Guesswork. Just Perfect Results Every Time.

THE FUTURE OF SMART COOKING

No Guesswork. Just Perfect Results Every Time.

Smart Temp™ Multisensor

Measures internal & ambient temperatures

Flame Proof

MEATER Pro max temp: 550°C
MEATER Plus max temp: 275 °C

MEATER Master Class

Easy recipes, step-by-step

No Wires

Completely wire-free meat thermometer

Waterproof

Dishwasher safe, dustproof and easy to clean.

Bluetooth Long Range

MEATER Pro up to 75m
MEATER Plus up to 50m

Versatile

Grilling, smoking, oven roasting, and sous vide

HOW IT WORKS

Perfection in just a few simple steps

1. INSERT

Probe any meat. ANY. MEAT.

2. MONITOR

Set up the cook and watch it on your phone.

3. ALERT

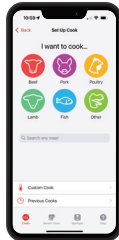

Relax and get notified when your food is ready.

4. ENJOY!

MEAT THE APP

Guided Cook & Perfect meal every time

Cook like the pros. Pick your meat cut and desired doneness, and follow the app instructions. The internal sensor will measure the meat temperature, and is accurate to $\pm 0,3^{\circ}\text{C}$

Estimate Cook Time & Receive Alerts

Stress-free cooking with cook time estimation and notifications. Our intuitive app monitors your whole cook and sends you notifications when your food is ready.
