Smart
Outdoor Camera

Be alerted immediately if a person or car trespass on your property

## Netatmo
Same home, just smarter

A brand of **legrand**

Your Camera sends you precise alerts:

- 🚶 Person detected
- 🐾 Animal detected
- 🚗 Vehicle detected

Smart notifications: enjoy peace of mind

Receive a real-time notification via your smartphone when a person or vehicle is detected on your property. You decide what to do next.

Camera equipped with a smart lighting system

Your Outdoor Camera is equipped with a built-in smart lighting system. During an alert, a floodlight is activated to help deter intruders. Choose manual activation using the app or automatic switch-on. The system can also light your path at night.

Easy to install

Your Outdoor Camera is easy to install. Replace an existing light or select a strategic location to monitor your home. Then connect it to your Wi-Fi to control it remotely and enjoy all its features!

Access to all features, and no subscription necessary

No ties! Videos and their storage along with all camera-related features are fully accessible without subscription. App upgrades and additions are free and will stay that way.
