DESCRIPTION

- Wireless speaker compatible with Bluetooth 5.3 technology for enjoying music both indoors and outdoors.
- Compact and portable size, provides high-quality sound thanks to its powerful 60W output.
- Robust design with durable fabric material.
- Water-resistant, compliant with IPX7 standard. Submersible for up to 30 minutes at a depth of less than 1 meter.
- Amplifies sound, can pair two devices simultaneously and increase the sound power with its True Wireless Technology.
- Compatible with Bluetooth Technology: Connect your device via Bluetooth and play your music with the best sound quality.
- Equipped with a USB & TF input port for connecting a memory of up to 32GB.
- Includes an AUX In input for a 3.5mm Jack.
- 7.4V/5000mAh rechargeable lithium battery that can play music for up to 9 hours (at 50% volume).
- Control your music from the speaker with the integrated easy-to-use buttons.
- Comes with a USB-C charging cable for convenient charging.
- Mobile range for music playback is up to 10m.
- Includes power bank function via USB port.
