Fast GaN Charger PD 65W

About The Product

The only charger you'll ever need. Features the latest 65W GaN technology for faster, multi-device PD charging in smaller and lighter form – perfect for on-the-go. Power your laptop, tablet, phones, and more with two versatile USB-C ports.

Why have we created

Fast GaN Charger PD 65W?

Our most powerful charging solution yet was created for the digital and travel-heavy modern lifestyle. We wanted to create a charger that can fast-charge your entire tech arsenal so you only need to carry around one pocket-sized solution wherever you go. With the latest GaN 65W PD charging and dual USB-C ports, you can unlock the fastest charge ever for two of your devices at once – less time waiting, more time

Thoughtfully designed to fit your lifestyle

- Features 2 USB-C ports for multi-device Power Delivery charging
- Advanced 65W GaN technology supports faster charging in smaller & lighter form
- The only charger you'll need for all your devices: Type-C laptop, tablets, phones & more
