## About The Product

Inspired by the pocketknife, Pocket Cable adapts the reliability, versatility, and functionality of this age-old tool for our modern devices. This carry-everywhere USB-C cable fast-charges your devices up to 60W and folds into its hideaway cable management for the most effortless portability.

## Why have we created Pocket Cable?

Bringing the pocketknife's ingenuity into the age of our devices, we transformed it to house one of the most useful tools of today – a cable. In addition to its superior convenience and compactness, we love this product because it's the pinnacle of our design DNA, combining an everyday necessity with a distinctive design twist that makes it a welcome and standout part of your EDC.
