Pocket GaN Charger PD 65W

About The Product

The slimmest go-to charger for life on the move. Unlock 65W Power Delivery dual-port charging in an ultra-slim, pocket-ready design, delivering high-speed power to all your devices – without any of the bulk.

Why have we created

Pocket GaN Charger PD 65W?

We wanted to create a charger that fits as seamlessly into your life as it does into your pocket. Designed for easy travel and everyday carry, the Pocket GaN Charger delivers 65W of high-speed power to any device in your tech arsenal in a solution that's refreshingly and remarkably slim – giving you easy access to efficient charging wherever you go.

Thoughtfully designed to fit your lifestyle

- Ultra-slim, pocket-ready design built for easy travel and everyday carry
- 65W GaN Power Delivery charges your Type-C laptops, tablets, phones & more with fast, efficient performance
- Charge up to 2 devices at once with 2 USB-C ports
- Dynamic power allocation automatically optimizes power distribution between your devices
- PD-enabled USB-C port supports full-speed charging for your laptop or powers your iPhone up to 50% in under 30 minutes
- Safeguard your battery with overvoltage, overcurrent & overheating protection
