About The Product

A nostalgic twist on modern charging. Pop Cable combines the classic, coiled design of landline phones with today's universal USB-C standard. Retracting from a compact 1ft to an extended 4ft, it delivers tangle-free, Power Delivery charging up to 60W for all your devices.

Why have we created POP Cable?

We believe good design brings a touch of personality to everyday essentials. With Pop Cable, we looked to the past to create a more joyful charging solution for the present. That iconic coil isn't just about nostalgia – it's about intelligent, tangle-free utility. It's a small dose of retro charm that makes the daily routine of charging simpler, smarter, and a little more fun.

Thoughtfully designed to fit your lifestyle

- For Samsung Galaxy, Google Pixel, iPhone 15 and later, tablets, laptops & all your USB-C devices
- Coiled, retractable design enables a tangle-free charging experience & a flexible length from 1ft to 4ft*
