POP LIGHT

Portable light, endless autonomy

About The Product

Light your way, anywhere. POP Light is your portable source of light, with up to 120 hours of battery on a single charge. Twist the dial for brightness, press to cycle through three color modes, and it adapts to any task or mood. Take it from your desk to your tent, carry it on an evening walk, or hang it as your reading light. A beautifully functional lamp, always ready for what's next.

Why have we created POP Light?

POP Light is a nostalgic twist on the classic lantern, with the retro-modern look that made POP Phone a success. We wanted a lamp as useful on a camping trip as on a bedside table, so we paired a clean form with intuitive, tactile controls. It's our vision of thoughtful, unobtrusive design, ready to illuminate every moment.

Thoughtfully designed to fit your lifestyle

- Up to 120h of battery life. Five days of continuous light, or one month at 4 hours a day.
- Doubles as a Powerbank for all your USB-C devices.
- POP Cable included, coiled to stay tangle-free, stretches to 1.2m when you need it.
- Intuitive analog dial: turn for brightness, press to change color temperature. No app, no fuss.
- Integrated handle underneath for carrying or hanging.
- Battery indicator shows when it's time to recharge.
- Ready for indoor and outdoor use.

Product specs

- Battery: 5000 mAh
- Brightness: up to 160 lumens
- Operating time: Low 120h - Medium 45h - High 11h
- Color modes: Cool White - Neutral White - Warm Amber
- Water resistance: IPX4

Product Materials:

30% recycled PC+ABS, PET, Iron, Silicone, Battery, PCB

Product Dimensions:

Height: 9 in / 23 cm
Width: 2.2 in / 5.5cm
Depth: 2.2 in / 5.5 cm
Cable Length: Up to 4 ft / 1.2 m
Product weight: 0.88lbs / 400g

Packaging Dimensions:

Height: 9.9 in / 25.2 cm
Width: 4.3 in / 11 cm
Depth: 4.3 in / 11cm
Weight: 1.4 lbs / 636g
