Rise Magnetic Wireless Charger

About The Product

The refined Qi2 charger that gives you the best of everything: whether it's the choice to charge flat or standing, the versatility to charge your iPhone and your range of Qi-compatible devices, and lots more. Powerful charging, wide compatibility, and customizable details to find a charging setup tailored to you and your space.

Why have we created

Rise Magnetic Wireless Charger?

The elevated version of the single device charger features a Qi2 upgrade – and more. We didn't want to stop at providing a faster and more advanced charge, we wanted to add a more personal approach, too. That's why we introduced a folding element to give you that customizable touch. Whether you prefer a pad or stand, get both in a modern finish that works well both ways and looks good anywhere in your space.

Thoughtfully designed to fit your lifestyle

- Snap your iPhone into place for seamless wireless charging
- Foldable design lets you charge in flat or at an adjustable angle
- Qi2 certified & MagSafe compatible for a fast, safe & efficient charge up to 15W
- Adjust the angle for a hands-free display stand for your iPhone – join calls, stream, or use StandBy mode
- Weighted metal base enables easy one-hand detachment – just grab & go
- Modern, minimalist design complements your desk, coffee table, or nightstand
- Know when your devices are charging with discreet LED indicator
- Comes with a 6.5ft / 2m USB-C to USB-C cable

*Magnetic charging for MagSafe equipped iPhones (iPhone 12 & later) and MagSafe compatible phone cases. Must be paired with a USB-C (≥20W) power adapter (not included)
