SLIDE CARD WALLET | MAGNETIC

About The Product

Slide Card Wallet brings your phone and cards together in one sleek, magnetic extension. Designed for modern mobility, it features an RFID blocking main compartment for up to 6 cards, accessed via a smooth, one-handed slide mechanism – plus a dedicated external slot for your transit pass or most-used card for instant access. A lighter, more streamlined carry, so your daily essentials are always at hand.

Why have we created SLIDE Card Wallet?

We designed the Slide Card Wallet to solve the daily friction between access and security. We layered it intelligently, with a quick-draw external slot for your transit pass and a shielded core for your important cards. The defining slide-out mechanism delivers your entire stack in one fluid motion – transforming a simple utility into a seamless experience. It's a reflection of our commitment to designing for your real-world rhythm, simplifying your carry with thoughtful, eco-conscious craftsmanship.

Thoughtfully designed to fit your lifestyle

- Carry lighter with a magnetic card holder that houses up to 7 of your most essential cards
- Keep 6 cards securely in the main compartment, and your most-used card in the external slot for instant access
- The main compartment features RFID blocking to protect your core cards from electronic pickpocketing
- Quick, one-handed access to the main compartment with a smooth, slide-out mechanism
- Compatible with MagSafe cases and phones via strong built-in magnets
- Crafted with a durable, recycled & animal-free leather alternative
