MainStage Drum Kits

Complete 5-Piece Drum Kit with 3-pack Paiste 101 cymbals,
and a complete hardware pack.

Embark on your drumming odyssey with the PDP MainStage Drum Kit.

This isn't just an entry-level setup, it's a full-throttle launch into beatmaking. With authentic poplar hardwood shells that deliver a thunderous attack, versatile tones, and explosive sustain, this kit is built to eliminate the ordinary.

Your setup includes 7x10" and 8x12" mounted toms, 14x16" floor tom, 16x22" bass drum, and a 6.5x14" snare, each crafted for maximum impact.

The hardware pack is a no-compromise force of nature, featuring double-braced stands (boom, straight, snare, and hi-hat), a single bass drum pedal, a throne, and sticks, ensuring you're set up for any playing situation.

And let's not overlook the 3-pack of Paiste 101 cymbals, 14" hi-hats, a 16" crash, and a 20" ride, that add the final layer of vibration to your sound.
