IR-2
AMP & CABINET

Take Your Signature Sound Everywhere

AVAILABLE DEC 2023

★★★★★ 5
FIVE YEAR WARRANTY

A professional direct guitar solution in a BOSS compact pedal.

When using a regular guitar amplifier, getting consistent tones in different performance situations can sometimes be a challenge. With the compact and versatile IR-2 in your rig, you're always ready to deliver your signature sound directly to a house PA or recording setup when needed.

Choose from 11 premium amp types paired with Celestion Digital IRs and instantly tweak your sound via simple controls. Use the mono/stereo loop for post-amp effects and plug in headphones for monitoring and quiet practice. And with onboard USB-C, you can easily interface with music software and load in your favorite cab IRs.

- Premium amp emulator and cabinet IR loader in a BOSS compact pedal
- Exceptional audio quality with 32-bit floating-point processing and 96 kHz sampling rate
- Eleven different amp types and high-quality cab IRs from Celestion Digital
- Simple user interface with Level, Gain, Bass, Middle, and Treble controls
- Ambience effect with dedicated control
- Mono input and stereo outputs
- Mono/stereo loop for patching in mod, delay, and reverb effects after the amp emulation
- Headphones jack for practice
- USB-C for recording and audio playback via a computer or iOS device*
- Switch between two amp/cab tones with the pedal switch or an external footswitch
- Dedicated IR-2 IR Loader app (macOS/Windows) for loading your own cabinet IRs
- Amp and cabinet sections can be turned on/off independently for isolated use
- BOSS five-year warranty

*IR-2 is compatible with Android; however, compatibility with all device and version variations cannot be guaranteed
