MORE INFO 

WHAT IS IT?

CUBE Street Mini is a portable, multi-instrument, battery-powered amplifier that provides a convenient all-in-one PA solution.

Sporting a sleek and lightweight design, CUBE Street Mini builds on the trusted Cube Street legacy. Delivering exceptional sound quality thanks to a 2.1 speaker system and wide sound dispersion, and packed with versatile, class-leading tools to elevate a performance—including dual channels with built-in effects, Bluetooth® audio, and a rechargeable battery. With its clear, powerful sound and compact form factor, you can perform anytime, anywhere.

WHO'S IT FOR?

Semi-professional and aspiring solo and duo performers

Singers, guitarists, keyboardists, wind instrumentalists, etc. looking for an easy-to-use and compact all-in-one PA for smaller spaces like cafés, small-scale events, and personal studios.

KEY BENEFITS

1 ALL-IN-ONE PA FOR SMALL PERFORMANCES

FEATURES

- Dual channel design: Main channel supports a guitar, microphone, or stereo instrument. Mic channel features an XLR/TRS combo input for a dynamic microphone
- Individual effects for each channel (reverb/delay/chorus on the main channel and reverb/echo on the mic channel)
- Stereo mini output jack for headphones or connecting to a recorder
- Onboard guitar tuner with panel indicators
- Bluetooth® audio for streaming songs from a mobile device

2 ROOM FILLING SOUND

FEATURES

- 2.1 speaker system with wide sound dispersion (2 x Tweeters with 5" Speaker)
- Integrated tilt stand and mic stand mount for increased projection

3 PLAY ANYWHERE

FEATURES

- Ultra-compact amplifier with quick and easy setup
- Built-in rechargeable battery with up to seven hours of runtime
- USB-C® jack for charging (USB Type-C to Type-A charging cable included)
- Integrated Carry Handle
- Optional carrying case (CB-MBC1)
