Stage piano perfection

AVAILABLE AUGUST 2024

## DEALER PRODUCT INFORMATION FILE

EMBARGO 23 JUL 2024 • 08:00BST / 09:00CEST

### Professional stage piano with authentic RD playability, expanded sounds, USB audio/MIDI, and more.

The RD-88 EX delivers a premium RD stage piano experience with expanded sounds and supreme playability.

Perform at the highest level with SuperNATURAL and ZEN-Core engines and our expressive PHA-4 hammer-action keyboard. Freely combine internal sounds with computer-based virtual instruments. And perform anywhere with the portable design and room-filling stereo speaker system.

- Professional RD stage piano with expanded sounds, including the SuperNATURAL Acoustic Piano 3 Expansion
- Acclaimed SuperNATURAL pianos and electric pianos
- ZEN-Core engine with over 3000 additional sounds, including organs, synths, strings, brass, and more
- World-class playability with the 88-note PHA-4 keyboard with hammer action and Ivory Feel
- Room-filling onboard stereo speaker system
- Convenient built-in rhythms for jamming and performance
- USB audio/MIDI interface and dedicated control mode for working with Apple MainStage
- USB memory port for MP3/WAV audio playback and data backup
- Light and compact design for easy transport and setup
- DP-10 Damper Pedal included

### System expansion with the RD-88 EX Upgrade

RD-88 EX Upgrade available to original RD-88 owners on Roland Cloud

Available with a one-time Lifetime Key purchase via dealers on Roland Cloud, the value-packed RD-88 EX Upgrade complements the factory feature set with a host of improvements, including the wonderful new SuperNATURAL Acoustic Piano 3.

Ask your Roland representative about becoming a Roland Software dealer.
