

VMH-S100

MUSIC PRODUCTION HEADPHONES

Produce. Play. Perfectly.

You've never heard anything like the VMH-S100 headphones before. More than just a good-looking set of headphones, VMH-S100 is resetting the standard for music production.

These over-ear, closed-back headphones have a gloriously wide frequency response, high resolution and superb sound isolation so you hear every detail of your music. Tuned for both production and playing, they're sure to inspire your creativity. With 3D-sewn and replaceable ear pads, they're both comfortable and durable. Expand your musical horizons with the bundled three-month trial of Roland Cloud Ultimate. VMH-S100: your music, perfectly represented, perfect for your creativity.

- Wide frequency response 5Hz to 40kHz
- High resolution, clarity of sound localization and incredible sound isolation
- Expertly tuned to excel in both monitoring and composing situations
- Newly developed 50mm driver unit
- 3D-sewn ear pads for long-term comfort and reduced strain on ears
- Durable metal frames and shields and replaceable ear pads ensure long life
- Cable is attachable to both L and R ear cups
- Includes pouch, two cables (1.5m and 3m), and stereo 1/4" phone plug adaptor
- Includes a 3-month free trial of Roland Cloud Ultimate
