

# ButterFly SE

## 2-in-1 Qi2 Travel Charger for iPhone + Apple Watch

Compact 2-in-1 wireless charger perfectly designed for travel.

ButterFly SE is an ultra compact, 2-in-1 Qi2 charger that makes packing for a fun getaway or a quick business trip easier. This minimalist accessory charges your iPhone and Apple Watch or AirPods at the same time from just one outlet. As a bonus, ButterFly SE doubles as a hands-free viewing stand for iPhone or Apple Watch.

- 2-in-1 Qi2 iPhone & Apple Watch Wireless Travel Charger
- Folds closed for ultra-compact travel
- Compatible with iPhones with MagSafe (12+), Apple Watch (all series) and Apple AirPods (all models with wireless charging case)
- Uses any 20W+ USB-C Power Adapter (not included)
- 5ft (1.5m) Braided color-coordinating USB-C to USB-C cable included
