Multi-Port USB-C Wall Charger with Find My

Beautiful, powerful, trackable. Meet PlugBug with Find My.

PlugBug is the world's first compact USB-C charger with built-in Find My functionality. Featuring a sleek new design that saves space by laying flat against walls and outlets while the bold red accent color sets it apart from a sea of white and black chargers. Now with smart power delivery to ensure faster charging with multiple devices. Charge smarter with PlugBug and never lose your charger again!

Where's my charger? Found it!

Did I leave it at the hotel? Is it at the airport lounge? Did one of the kids take it?

With PlugBug with Find My, you'll always be able to find your charger - anywhere in the world. Simply launch the Find My app on your iPhone to see exactly where this compact, powerful charger is hiding. How brilliant is that?

- 2-Port 50W or 4-Port 120W Compact USB-C Charger with interchangeable adapters
- Built-in Apple Find My technology to locate the charger if lost
- GaN-powered, ultra slim design with foldable plugs for travel.
- Smart power delivery fast charges multiple devices at once
