**WELCOME NEO**

Our custom-made products for the new MacBook Neo

Tucano for Apple

## **READY FOR MACBOOK NEO**

Every time Apple introduces something new, we respond with products that rise to the occasion. With MacBook Neo it's no different: dedicated products, compatible down to the millimeter, ready to go with it anywhere.

MacBook Neo Colors

## **COLORS FOR EVERY TASTE**

Every detail is designed to perfectly complement your new MacBook Neo: colors carefully selected to enhance every shade and finish, so that a sleeve is not just protection, but part of the design.

Perfect to the millimeter

## **PROTECTIVE AND ULTRA-SLIM**

Designed to fit every contour with precision, our sleeves wrap around the Mac like a second skin. The Flat Lock stitching minimizes thickness and maintains an ultra-slim profile.

# ONE

sleeve

MacBook Neo neoprene case. Inside, the MacBook Neo stays firmly in place thanks to the Anti-Slip system, consisting of an elastic mesh band that keeps the laptop secure and prevents accidental falls. The 4mm neoprene construction provides enhanced protection against impacts.

## FEATURES:

- 4mm thick neoprene construction
- Flatlock construction for a better fit
- Anti-Slip System to prevent the device from sliding out
- Soft neoprene case
- Contrast color inner lining

**SIZE:** 31 x 22 x 2 cm

## **NIDO**

hardshell

Hard case for MacBook Neo, consisting of two separate shells to protect the MacBook from scratches and impacts. Ultra-slim and resistant. The semi-transparent front shell lets the Apple logo show through. The device can be conveniently tilted thanks to the retractable stands with anti-slip rubber feet.

### **FEATURES:**

- Resistant ultra-slim case for protection against scratches and impacts
- Satin finish with semi-transparent effect
- Apple logo visible through the semi-transparent case
- Anti-slip support feet
- Shell entirely made of polycarbonate and retractable zinc alloy stand

**SIZE:** 30 x 21 x 2 cm
