

NIDO

Hardshell for Macbook Neo

Hard case for MacBook Neo, consisting of two separate shells to protect the MacBook from scratches and impacts. Ultra-slim and resistant. The semi-transparent front shell lets the Apple logo show through. The device can be conveniently tilted thanks to the retractable stands with anti-slip rubber feet.

FEATURES:

- Resistant ultra-slim case for protection against scratches and impacts
- Satin finish with semi-transparent effect
- Apple logo visible through the semi-transparent case
- Anti-slip support feet
- Shell entirely made of polycarbonate and retractable zinc alloy stand

SIZE: 30 x 21 x 2 cm

MacBook Neo - HSNi-MBNEO
