

DESK PAD

Rubberized fabric desk pad

Rubberized fabric desk mat featuring a large surface for optimal organization. Perfect for laptops or desktop PCs, the neoprene desk pad protects surfaces from scratches, stains and heat, while the non-slip grip keeps it firmly in place on your work surface. Easily rolled up, it's well adapted for both home and office.

FEATURES:

- Rubberized fabric desk mat
- Large surface for optimal organization
- Protects surfaces from scratches, stains and heat
- Non-slip grip

SIZE: 55 x 35 cm
