## Wireless headphone with hybrid active noise cancellation and a fully customizable audio experience.

M-200 ANC sets the bar for premium wireless sound to new heights, with award-winning V-MODA sound coupled with cutting-edge hybrid active noise cancellation. Built to work with the V-MODA app, it produces precise and vibrant sound that can be customized with the in-app EQ tool. With its lightweight metal build, flexible, sweat resistant headband, and memory foam cushions, M-200 is crafted for comfort and durability.

- Customizable audio controllable via the in-app EQ tool
- 10 levels of hybrid active noise cancellation controllable via the V-MODA app
- Lightweight durable metal build with flexible PU leather headband
- “Voice In” smart feature to momentarily lower volume and pause ANC
- 20 hours of ANC-activated playback (10 minutes FastCharge = 1.5 hours)
- 40mm drivers produce vibrant audio with piercing clarity which is Hi-Res Audio when wired
- Large, replaceable magnetic memory foam cushions
- Flat-folding CliqFold hinge and re-designed case for easy portability
- Control audio, answer calls and access voice assistants via an intuitive user interface
- Includes an Audio Only cable for zero-latency listening
- Customizable shields with laser engraving and color printing customization available
- Closed-back, over-ear, minimalist design for perfect noise isolation and fit
